

All-Terrain Vehicle (ATV) Operation

One of the most abused farm implements is the country is the All-Terrain Vehicle. This vehicle's improper use has been the cause of everything from minor scrapes and scratches to death. You can eliminate accidents on this vehicle by following a few important operating rules and procedures.

ATV Operators will:

1. Receive operator safety training prior to driving ATV.
2. Inspect vehicle for unsafe conditions and insure routine maintenance has been performed.
3. Dress properly – wear personal protective equipment.
4. Always be aware of safe speed, terrain, and visibility.
5. Never allow any passengers.
6. Avoid steep banks and hills whenever possible.
7. Proceed with caution if you are not sure of terrain in front of you.
8. Never attempt stunts.
9. Never operate ATV while under the influence of alcohol or drugs.
